It eliminates the inefficiencies of common manual tools and procedures while enabling physicians to offer hair transplants with consistent clinical outcomes.

NeoGraft®'s harvesting, site-making and implantation functions make it easier than ever for physicians to address hair loss and provide the hair restoration procedures that patients want.

2014 Cynosure Smartlipo Triplex.

The Cynosure Smartlipo Triplex laser system is a powerful and versatile tool that can be used for a variety of applications. It comes with all the necessary accessories, making it a perfect choice for anyone looking to add laser lipolysis to their practice.

Here are some of the accessories that come with the Cynosure Smartlipo Triplex:

- Fiber optic cannulas: These cannulas deliver the laser energy to the treatment area.
- Foot pedal: This pedal allows you to control the laser energy with your foot.
- Power cord: This cord connects the system to a power source.
- Eye protection goggles
- Multiple cellulaze/ Smartlipo hand pieces
- Owner's manual: This manual provides instructions on how to use and maintain the system.
